

The West Michigan Chapter of the Air & Waste Management Association (WM-AWMA) is a nonprofit, nonpartisan professional organization promoting a better understanding and awareness of the challenges that exist in air pollution control, waste processing and control, and environmental management. While the chapter's

main function is to disseminate information related to air and waste management and environmental quality management to its members and others in the geographic area of the chapter, it also cultivates closer professional relationships among its membership.

Membership – Who is it for?

-  Environmental Managers
-  Government Personnel
-  Consultants
-  Educators
-  Attorneys
-  Students

Why membership?

-  Promote greater environmental awareness
-  Obtain the most up-to-date professional, scientific and technical information
-  Benefit from regulatory and industry contacts, including regular updates and interaction with the MDEQ
-  Profit from members-only discounts on specialty conferences, workshops, and seminars
-  Advance your understanding of environmental issues and your career
-  Cultivate closer professional relationships among members and within your field

To become a Local Associate, mail the attached membership form along with a \$40 annual fee (payable to *WM-AWMA*) to: 1641 Thornapple River Dr. SE, Grand Rapids, MI 49546. Online registration can be found at www.wmawma.org.
